## Chairpersons comment

We are full steam ahead at the Whitby Toy Library.

Exciting things to come....

- A new canyon road and train track table
- A new water play table
- A computer system for issuing and returning toys – may be a while away as we are working out how to use the system
- New infant toys

We are always on the look out for enthusiastic people to join our team in running the Whitby Toy Library. One evening out a month with food and drinks supplied, some chat, some work, heaps of laughs and sharing ideas.

Who could resist?

We get together on the second Wednesday of the month, usually at the Toy Library at 7.30pm. Come along and see for yourself.

Huge THANK YOU to New Zealand Community Trust and Lottery Social Sector Grant for the impressive grants we received. The money is to purchase big toys that our members' children love to play and learn with. Watch out for these toys arriving soon.

Our Funday Sunday is coming up – see the back cover and C U there.

We welcome your ideas, suggestions for toys or other improvements and your input to keep the Whitby Toy Library fantastic.

## Welcome to our First newsletter for 2007!

Well it looks like we're heading for another fast paced year - as it's already into March!!

Don't forget to mark the 18<sup>th</sup> of March in your diary and come along and join us at our Annual Funday Sunday! If it's anything like past years it'll be a heap of fun!!

We've already been gained a couple of grants to buy more new toys so keep an eye out for these arriving soon!!

Your Toy Library Committee

### THANKS...

THANKYOU to WHITBY NEW WORLD who donated the use of the rug doctor to get our carpets clean!!

A big thanks to the committee members who helped to clean the gutters, set of the bug bombs and clean the carpets over the holidays - it's nice to start the year of sparkling clean!!

### ***It's that time of year again...***

### **WANTED:**

We need a tap with a screw end for the Kitchen so we can connect an outside Hose

too it. Does anyone happen to have one lying about at home?? And it would be really handy to have a plumber to connect it up...!!

## ENTERTAINMENT BOOKS

The Toy Library will be selling these again this year - keep an eye out for these arriving on the issues desk probably during the second term...

### <<<CLOSED ANZAC DAY>>>

The Toy Library will be closed on Anzac day (Wednesday 25<sup>th</sup> April). Toys taken out two weeks prior to that date (11<sup>th</sup> April) will be due back on 2<sup>nd</sup> May (a 3 week hire) but the toy rental will remain the same

*Does anyone want to join the toy library committee??? We will be losing some members soon who's children are growing out of the toy library and due to a few new arrivals our committee would really appreciate the help of a few new members - so if you've got the second Wednesday night of the month free and you'd like to come along we'd love to see you!! There are perks to being a committee member - come along and find out what they are!!*

Congratulations too committee members Phillipa and Mel on the safe arrival of their wee men (Or not so wee for Phillipa!!)
